

# Jay R. Smith Mfg. Co.<sup>®</sup> a better way

## Jay R. Smith Mfg. Co.<sup>®</sup> water closet supports.

It takes time to build a reputation. That is why Jay R. Smith Mfg. Co.<sup>®</sup> has devoted more than 80 years to engineering and manufacturing products to the high standards our customers have learned to expect. We work each day to find a way to make these products better. The Adjustable Linebacker<sup>®</sup> Fixture Support with Waste Fitting is an example of one for our many professional grade products.

Thank you for supporting the yellow company.

For more information on our products and services or to contact your local Jay R. Smith Mfg. Co.<sup>®</sup> representative, visit the Virtual Yellow Pages<sup>®</sup> (VYP) web site at: [www.jrsmith.com](http://www.jrsmith.com)

Rear Support Lug and -M51 Anchor Foot

The Linebacker<sup>®</sup> foot has 2 bolts holes for attachment to slab. This offers flexibility when bolting to rough slab. The offset design is stronger than a single bolted side mounted foot.

The outlet connection provides adjustment at the face-of-the-wall at the time the fixture is set, and after the finished wall is completed.

The face plate and base support provide front adjustment.

Adjustable Linebacker<sup>®</sup> Fixture Support, Figure 0209Y, No-Hub Horizontal Fitting for Siphon Jet Water Closet, Shallow Rough-In Type with Auxiliary Inlet to pick up urinal mounted back-to-back with Water Closet.
