Floor Drains • Floor Sinks • Cleanouts • Trench Drains

6" Wide Modular Trench  
Drain System with a  
Complete Grate Selection

9600 - 9700 Series - Cast and  
Fabricated Drainage Products

### Smith Stainless

The inherent durability of stainless steel makes it an ideal material for floor drains, floor sinks, floor cleanouts and trench drains, regardless of application. Stainless steel, with its intrinsically gratifying appearance, is perfect for facilities where hygienics, corrosion resistance, and visibility are inherent, such as:

- Restaurants
- Food Processing Plants
- Hospitals
- Chemical Plants
- Dairies
- Breweries

Engineered and Designed in a Better  
Way by Jay R. Smith Mfg. Co.
